Dear Neethan and Siva,

RE: Tamil Community Centre Initiative

I would like to thank you for meeting with me to discuss the new proposal for a Tamil Community Centre in the City of Toronto.

Toronto is a proud multicultural City that embraces a wide variety of cultures and faiths. It is important to recognize each and every community that plays a part in enhancing Toronto's social and cultural landscape. I believe without a doubt that a new Tamil Community Centre will further enrich the multicultural fabric of our City and will benefit many of our local Toronto community members.

My heartfelt congratulations and best wishes go to you upon the beginning of this new project. If you have any other concerns, please do not hesitate to contact me.

Sincerely,
