

July 3 - Steering Committee Meeting Minutes

The meeting began with a summary of the meeting with Councillor Karygiannis which Shan and Vimalachandran attended. Following that, Vimalachandran, Shan and Rang provided a status update on government meetings.

Vimalachandran provided an update on the consultation tool: 320 surveys completed to date with a target of 1,000 by the townhall.

There was a discussion about recruiting volunteers to support the Committee in their work.

A draft by-laws and letters of incorporation was reviewed by the Committee. It was determined that the priority for the incorporation process is to achieve charitable status for the organization to assist with its long-term sustainable operations.

The Committee changed the date of the town hall to August 18th, which will allow for a more fulsome update to the community. New posters will be put up as soon as possible to communicate the change in date, as well as social media.
